

DEMOCRATS AGAIN CONTROL VOTES TO SAVE SHIP BILL

The Republicans Facing Defeat
Plan to Resume Filibuster
in the Senate.

WASHINGTON, Feb. 8.—Administration leaders in the Senate ship bill fight were delighted to-day at the arrival of Senator Smith of North Carolina, whom they had given up as having been defeated. Senator Newlands of Nevada, also reached the battle line to-day, completing the Democratic reinforcement.

WOMAN COULD NOT SIT UP

Now Does Her Own Work.
Lydia E. Plankham's Vegetable Compound Helped Her.

Cleveland, Ohio.—"I am enjoying better health now than I have for twelve years. When I began to take Lydia E. Plankham's Vegetable Compound I could not sit up. I had female troubles and was very nervous. I used the remedy a year and I can do my work and for the last eight months I have worked for other women. I cannot praise Lydia E. Plankham's Vegetable Compound enough. I know I never would have been as well as I am now had it not been for it and I recommend it to suffering women."

Daughter Helped Also.
"I gave it to my daughter when she was fifteen years old. She was in bed and was a nervous wreck, and could not sleep nights. Now she looks as healthy as I do. You can publish this letter if you like."—Mrs. BENA BOWMAN, 161 S. 10th Street, Boston, Ohio.

They will women continue to suffer from day to day and drag out a sickly, interrupted existence, missing thousands of the joy of living, when they take Lydia E. Plankham's Vegetable Compound.

It gives you the slightest doubt that Lydia E. Plankham's Vegetable Compound will help you, write to Lydia E. Plankham Medicine Co., Greenwald, Laconia, N.H., for advice. Your letter will be answered, and a sample of the compound will be sent to you without charge.

Irish Play To-Morrow Night.
The Irish Theatre (John P. Campbell, Pedrate Colum, directors) presents the "Double Courtship," a comedy, for the benefit of the Cumann-na-n-Ban (Irish Women's Council) to-morrow evening at the Central Opera House, 217-219 Seventh Street and Third Avenue. Dancing after the show.

The Democrats were ready this afternoon for a vote whenever they could force one. Even on the motion, made by the bolting Democrats, to send the bill back to a hostile committee, they were willing for the first time for a roll call. On this motion Senator Kenyon was pledged to vote with the Republicans, and a roll call, according to a poll, would therefore stand 48 to 47, with the Vice-President deciding.

The motion to send the bill back to the Committee, if this plan is decided upon, will be amended by the Democrats to instruct the Committee to report the bill back immediately, with the two amendments agreed upon.

The other plan would be to vote on Senator Gore's motion to force out of Committee his substitute bill, which already contains the amendments desired. This was the plan until Senator Smith's arrival made the choice of the two courses possible.

The Republicans are determined to oppose any effort to bring up the Gore resolution, which embodies amendments satisfactory to Progressive Republicans and may receive support from the seven Democrat insurgents. Should the Democrats press a vote on their recommendation, the Republicans plan to resume the filibuster.

To-day was one of the few in recent history of the Senate when a full attendance, 98 Senators, was present. When the session began Senator Handell spoke in favor of the bill.

STATE DOINGS AT ALBANY.

ALBANY, Feb. 8.—Gov. Whitman's appointments for the Court of Claims will be completed by the end of this week and will go to the Senate for confirmation probably next Monday night. Thomas F. Pennington of Elmira, is expected to one of the Governor's appointments.

The discord arising over the proposed amendment to the Workmen's Compensation Act which will come before the Senate to-night is to-morrow, was under discussion to-day at a conference between Majority Leader Brown, Senator Jones and Speaker Sweet. It is reported that a compromise amendment will be offered to clear away the objections raised by Senator Wagner, who claimed that as the amendment would throw the injured workman open to unfair adjustments between himself and the employer. To overcome this, it is proposed to have the Commission view all adjustments between the injured workman and his employer or the employer's insurance company. If an unfair adjustment is found, the employer or the insurance company involved will be barred thereafter from making adjustments with injured employees.

Assemblyman McDonald said to-day that the Legislative Committee which during the past few months has been inspecting State Institutions will submit a preliminary report next week. He declared its recommendations to the Legislature would include the abolition of the present Commission on New Prison, the erection of a cell house at Sing Sing and a more economical management of State Institutions in general.

Applications for water supply systems granted to-day by the Conservation Commission included that of the Board of Water Commissioners of the Inwood Avenue water district in Greenburg, Westchester County. The Board asked permission to install a complete distribution system.

PRESIDENT FALLS DOWN AS TEACHER OF COASTING

Laments Lost Art at Hamilton, but Spills Showing "How to Steer Sled."

CLINTON, N. Y., Feb. 8.—How to steer a sled down College Hill was a problem technically discussed by President Stryker of Hamilton College with members of the student body to-day as he nursed bruises sustained in a demonstration he gave of his claim that few persons are versed in the art of guiding a sled.

President Stryker, speaking in a chapel, touched upon the fact that the practice of coasting at a mile a minute as fostered at Hamilton College for more than a century appeared to have suffered a decline. He said this was because the students steered like calves instead of like young men.

He gave them a demonstration later, but at the bend in the road was thrown from the sled and fetched up against a fence after rolling twenty-five feet.

President Stryker has coasted on the hill for twenty-six winters.

SLASHED WIFE; KILLED SELF.

ROCHESTER, N. Y., Feb. 8.—A man and woman who arrived on a train from New York and registered at a local hotel as Thomas MacLusko and wife of No. 308 East Thirty-second Street, New York, were slain in their room this morning and MacLusko slashed the woman with a razor. The woman was taken to a hospital, where her wounds are said to be fatal.

MacLusko was arrested. A few hours later he was found dead in his cell, having hanged himself with a belt.

Services for Rev. Dr. Newton. Memorial services were held in the Church of the Ascension, Fifth Avenue and Tenth Street, last night in honor of the late Rev. Dr. R. Heber Newton, formerly pastor of All Souls' Episcopal Church. Addresses were delivered by Dr. Felix Adler, Dr. Stephen S. Wise, Dr. William R. Inge, Dr. Haven Putnam and others. The pastor, Rev. Dr. Percy S. Grant, read letters of eulogy from Theodore Roosevelt and Bishop Greer.

Omega Oil FOR Rheumatism and Lumbago

If you suffer from Rheumatism or Lumbago, rub the aching parts with Omega Oil, then soak a piece of flannel with the Oil, lay it on the place that hurts and cover with dry flannel. This simple treatment has brought nights of peaceful rest to people who have suffered agonies. Trial bottle 10c.

SEATTLE HEALTHIEST CITY.

Again Leads With Lowest Death Rate—New York's Rate 14.5 in 1,000.

WASHINGTON, Feb. 8.—Seattle, Wash., is again found by the Census Bureau to be the most healthful city in the country, with Spokane, Wash., second and Portland, Ore., third. Seattle's death rate per 1,000 in 1913 was 8.4; Spokane's 8.9; Portland's 9.3. Memphis, Tenn., with a rate of 20.4, has the highest showing. This is the average between the rate of 15.9 for white residents and 23.2 for colored. The higher mortality rate for colored people brings up the rate for all cities having large numbers of them.

New York's rate was 14.5; Chicago's, 15.1; San Francisco, 15.9; Newark, N. J., 14.4; St. Louis, 14.9; Denver, 15.7; Indianapolis, 15.7; New Orleans, 15.9; Baltimore, 15.5; Jersey City, 14.6; Albany, 15.8; Buffalo, 15.8; Rochester, 14.4; Syracuse, 15.7; Cincinnati, 16.9; Cleveland, 14.2; Philadelphia, 15.7 and Pittsburgh, 17.1.

LADIES! LOOK YOUNG, DARKEN GRAY HAIR

Use the Old-time Sage Tea and Sulphur and Nobody will know.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wispy and scraggly, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold. Don't stay gray! Look young! Either prepare the tonic at home or get from any drug store a 50 cent bottle of "Wyeth's Sage and Sulphur Compound." Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully and removes dandruff, stops scalp itching and falling hair; besides, no one can possibly tell as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.
